

## GRAMMAR NOTES – DRYING OFF DOMAIN

There is very little to cover in this lesson. The grammar is the same as for bathing. There is a new verb, *šab* ‘to dry’ and one more body suffix **-abac** ‘body; solid object’. Look at (1) as an example:

(1) **šab**abacəbəx<sup>w</sup> čəd.

**šab** -abac      -əb   -əx<sup>w</sup>      čəd

**dry** body      self   assert      I

‘I **dry** my body.’
